Our imported reproductions, due to the very fine die work and Special Old Color, are the handsomest on the market today. In many cases these reproductions are so faithfully copied from the originals that experts have, at first glance, thought them originals. Our genuine imported trimmings may be identified by the word "ENGLAND" stamped on the back.

Our terms to parties of approved rating are 60 days net, or 2% for cash in ten days from date of invoice. If not rated as above, give us references. Time may be saved on the first order by sending money order, or authorizing us to ship C. O. D.

We also issue a price list of Cabinet and Upholstery Hardware, and Upholstery and Drapery Fabrics. If interested, ask for copy.
